

PNBHS WHITE JERSEY CLUB 2018

MESSAGE FROM THE 2018 TEAM

AND 2018 MATCH SCHEDULE

Message from the 2018 1st XV

The 2018 1st XV is no different from all other 1st XV's that have gone before. It is filled with players who have aspirations and dreams. We aspire to be the best we can be and we aspire to represent the jersey and its previous wearers to the best of our abilities.

We understand that the nature of the team is such that we are always in the public eye and that our results are always under public scrutiny. Because of this we have worked bloody hard over Summer and have continued to work bloody hard since returning to school in January. Our performances will reflect our passion and pride in the jersey. We demand it of ourselves just as you expect it from us.

We would like to acknowledge and thank the White Jersey Club members for all that they do and have done before us. We hope that our performances and representation of this club make you proud.

We look forward to seeing you on the side lines and extend an open invitation to all to come into our changing rooms to share our experiences as white jersey wearers.
