## 汪宜儒

我的名字是汪宜儒。17歲，來自香港，我自2014年7月開始在北帕默斯顿男子高中就讀，我現時在北帕默斯顿男子高中就讀13年班，我學習的科目是地理，歷史，物理，數學和英語（ESOL）。我的計劃是從PNBHS畢業，在北帕默斯顿的梅西大學學習航空。我來到北帕默斯顿，紐西蘭留學學習英語，去梅西大學學習航空，這裏學費相對便宜，是一個安全的國家。在紐西蘭，老師留在一間教室而同學則去不同的教室學習不同科目。此外，在紐西蘭，你可以選擇5或6個科目為高中課程，在香港你有4科必修科，並選修2-3個其他科目。在紐西蘭學習，我的英語進步了不少，這裡所有的課程都用英語授課，我和朋友、老師和我的寄宿家庭都說英語。起初，是很難和你的朋友和家人分開的，但你很快就會習慣，你在這裡會認識一些新朋友。北帕默斯顿男子高中有很多學習和體育設施。PNBHS比香港有更小的班級。我們去很多旅行以了解更多紐西蘭的文化，比如惠靈頓，納皮爾和馬斯特頓。在北帕默斯顿你可以很容易地去做任何你想要的地方。您可以從學校走進市中心。一些學生會騎自行車上學和放學。我會建議你來北帕默斯顿，因為如果你去奧克蘭您將有很多機會主要講中文，因為有很多中國人在那裡的。北帕默斯顿是一個安靜的城市，這對學習和睡覺是很好的。這裡的人們很友善。北帕默斯顿很乾淨，空氣清新。

我的名字叫李濟光。15歲，來自香港，我自2016年2月開始在北帕默斯頓男子高中就讀，我現在在北帕默斯頓高中就讀11年班，我學習的科目是 科學，地理，數學，物理，business和英語。我打算在這所高中畢業，去英國上大學。這的學費相對便宜，而且是個安全的國家，這裡比較注重環境的保護，所以空氣十分清新。在這裡學校是走班制，就像大學一樣，你可以選4個你感興趣的科目，但有2個必修課。我才來到這裡學習了3週，一切都比較陌生，但是寄宿家庭對我很好，我也可以迅速融入環境，交到了很多朋友。我通常騎自行車上學，放學後也騎自行車回家，十分方便。這裡也會有很多中國人，中國元素隨處可見。這裡是個學習的好地方，周圍很安靜，你可以很放鬆的上學，親近自然

# STUDENT TESTIMONIALS

*Carson Hepi, Year 11*

“Kia ora, my name is Carson Hepi and I am proud to be Māori and a student at Palmerston North Boys’ High School. I’m studying Māori Performing Arts and Te Reo Māori as subjects at school, as well as having co-curricular opportunities such as Kapa Haka, Ki-O-Rahi and Mau Rākau. There are plenty of sporting opportunities as well – I play touch. The great thing is that there is a team or group for everyone. I think being Māori and being at Palmy Boys’ is tu meke because you get to learn more about who you are and where you come from.”

“My name is Ian Lee and I am studying in Year 12. I am so proud to be a student at Palmerston North Boys’ High School. I am College House student and I enjoy my life there. I think it is interesting to make friends from different countries here. It is not really hard to learn English here because teachers are willing to explain things that you don’t know clearly and so I can catch up quickly. I have joined the social basketball and badminton team. Learning at PNBHS is more relaxing than my home country because you have enough time to do every internal and teachers will help us. I have taken Calculus, Science, Business, English and Accounting here. There are more subjects available here than in my home country and you can choose your own subjects for your career. I have been to Wellington with my friends. There are different activities for us to do. Some subjects will also have some field trips for us to go on. For example, in Science we go to the Manawatu Gorge to look at the different types of plants which is a different way of learning than to just sit in a classroom and I like it. I like to study here because it is more relaxing than in my home country and PNBHS encourages you to try different sports and activities as well as academic. I would recommend for other people to come and study here.”

*Ian Lee, Year 12, Hong Kong*

*Max Hannah, Year 10*

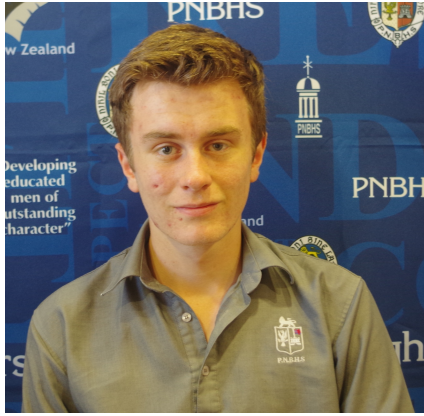

“The Learning Support Programme at PNBHS has really helped me. In Year 9 my English class had two teachers, which really helped because you got a lot of one-on-one time with the teacher. We had a support teacher in Mathematics who worked with us in small groups when we needed help. Being in a small class is great because it means that it is easier to get help from the teacher when I need it. I really like the sporting opportunities and I’ve played rugby and been involved with clay target shooting. My clay target coach has shown me a lot of different techniques that have helped to improve my shooting.”

“My name is Finlay McRae and I am currently in Year 13. I am extremely grateful for the opportunities that Palmerston North Boys’ High School has given me. Being part of the challenging Accelerate Programme has pushed me to reach my academic potential and this year I will study Massey University papers which are offered by the school. Outside of the classroom, Boys’ High’s sporting nature has allowed me to thrive in the 1st XI Football team that competes at a high level nationally. I was also a part of the German Language and Cultural Tour that travelled to Germany for a month last April; this was an outstanding and rare chance to be immersed in life in another part of the world. Having attended Boys’ High, I know that I will have the academic credentials and maturity of character to engage confidently with life after school.”

*Finlay McRae, Year 13*

*Chris Dewhurst, Year 12*

“There is a wide variety of opportunities in the performing arts that a student at Palmerston North Boys’ High School can get amongst. As a Year 9 student, I was overwhelmed. Early in my first year I was dragged along to a meeting of the Junior Musical Theatre group, something that I had never seen myself being a part of, but lo and behold, I loved it. Fast forward three years and I am now a principle role in the 2017 PNBHS/PNGHS Senior Production, *Footloose*, and assisting in the teaching of Junior Musical Theatre. On top of my musical theatre commitments, I am also quite involved in the music department in groups such as Son of a Pitch Choir and the guitar quartet, Livewires. Both of these groups perform throughout the year at concerts and competitions, with Livewires coming second at a Regional Chamber Music Competition. I would strongly recommend that any new student gets involved in the performing arts as, in some cases, it is a once in a lifetime opportunity.”

“In my time at PNBHS I have been involved in many different sports teams across multiple codes. The sporting opportunities here are second to none as there are teams for all capabilities, across all age groups, in any sport of your choice. Currently I am involved in the 1st XV Rugby and 1st XI Cricket teams. Through these teams I have had opportunities to travel throughout the North Island and compete against high quality opposition through the New Zealand Super Eight Schools competition and our traditional interschool fixtures. Additionally, I have had the opportunity to tour overseas, going to Australia, India and Sri Lanka with cricket. Later this year I am going to be part of the Rugby Development Tour to the UK and Europe. I find there are always opportunities for extra training and the coaching is top quality. Coaches are willing to give their time and are happy to help an individual improve their skills.”

*James Stratton, Year 13*

*Toshiko Kaneda, Mother, Hong Kong*

“I have never been to NZ before. There are 3 reasons why I could send my son to NZ by himself. First of all, nowadays, SMS is so common and it is very convenient to get in touch, so we don’t have to worry so much.

Secondly, teachers at PNBHS come often to Hong Kong so we can share what my son is doing in NZ life and, of course, academically. Also, there are many friendly and passionate staff to take care of all the boys and lead them to be gentlemen. I like the way PNBHS has clear guidelines in regards to their behaviour, grooming and academic performance which provides structure and discipline.

As long as my son is happy, I am happy, and his face shows that PNBHS is the place he wants to belong.”

**Bachelor of Aviation**

**May 2015**

Palmerston North Boys' High School    2006-2011  
Massey University    2011- 2014

Phannatorn moved from Bangkok, Thailand to New Zealand at the age of 12 with no English where he enrolled in Year 9 at Palmerston North Boys' High School. After his trial flight at age 15, Phannatorn knew he wanted to follow a career as a professional pilot.

Massey University, NZ, offered him the unique opportunity to gain a professional aviation degree integrating flight training with University study. Phannatorn says that what he enjoyed most at Massey "was the knowledge and skills offered to him". In comparison to other flight training schools, Phannatorn felt that "Massey is probably one of the best in New Zealand".

**TEERAWIT PULPINYO    Bachelor of Aviation    May 2012**

Palmerston North Boys' High School    July 2006- December 2008  
Massey University    2009- 2011

Teerawit completed his high school education at Palmerston North Boys' High School to best prepare himself for his future study at Massey University.

Teerawit says he chose Massey University because "it is different from other flying schools around the world as it offers a degree in this field. This degree will support me in the future flying career as it offered a high standard of flying knowledge and other relevant theories."

Returning to Thailand in 2011, Teerawit joined Royal Thai Airways. He spent the initial year completing his 'Airline Transition Training' and was assigned to the Airbus A330-300.

He says "the ground training was very similar to what Massey is providing in the ATPL papers. Also from my two years' experience in an airline, I realised how well Massey had prepared everyone to be professional and ready for aviation industry today. Now I am really enjoying flying out of the capital of Thailand, Bangkok, to the most popular destinations in Asia and Australia in an Airbus A330-300."
