NEW ZEALAND

- NZ is a unique country with a population of only 4 million. It has some of the world's most breathtaking scenery, from lush green farmlands to the majestic snow-covered mountains and golden beaches, which sets it apart from any other country.
- Its people, known as "Kiwis" are renowned for their friendliness and hospitality with a casual, safe and relaxing lifestyle.

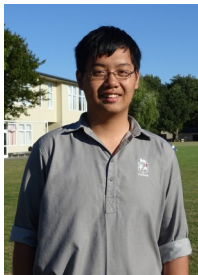

PALMERSTON NORTH

- Palmerston North, often called "Palmy", has a population of about 80,000 and is in the lower half of the North Island, about 2 hours' drive north of the capital, Wellington.
- Palmy is in the central hub of New Zealand – quick and easy to get everywhere, small community, very cheap and NO TRAFFIC JAMS.
- Palmy is a student hub, a multicultural city, has welcoming and friendly people, is an easy place to live and is not expensive.
- Palmy is a small city so there are no distractions from study.
- Palmy has a wide range of shops, cinemas, theatres and sporting facilities - in fact, all the facilities of a big city, but without the major problems of big city life.
- Palmy is a world-recognised "Safe City".

Long Qian—China

"My time here at PNBHS has been delightful, ranging from co-curricular activities to academic opportunities, international support to school facilities, PNBHS has never failed to amaze. The developed Accelerated Learning Programme at PNBHS gives one the opportunity to sit one or more courses in advance to his year level, which is an amazing opportunity for students who are looking to challenge themselves academically during their time at PNBHS - just like myself. After a student has completed a subject at NCEA Level 3 prior to Year 13, the student will be eligible to sit Massey University Papers in that particular subject, which is how I sat 2 Level 100 Massey Papers (Linear Mathematics and Calculus I) and I gained University Entrance when I was in Year 12."

WHY PNBHS:

- Safe, quiet and inexpensive city
- Education and 'Knowledge City'
- The Ultimate Student City – supportive learning environment
- High quality international education
- Smaller classes
- Individualised attention
- Specialised English classes for international students (maximum of 10 per class)
- New Zealand NCEA Level 3 is a globally recognised qualification and can be used by students for entrance into any university worldwide
- Literacy and Numeracy Programme
- Academic Pathways: well connected to universities, tertiary institutions and research centres
- Leadership Programme – instils structure, rules, values, lifelong learning, self confidence
- Vocational subjects – gain practical experience and skills
- Your choice of a variety of subjects to specialise and focus on your future career
- Make valuable connections for your career
- Study University Subjects with Massey University Paper Programme at PNBHS
- Impressive facilities
- High speed WIFI internet connection on-site
- Orientation – link with Kiwi student to learn English and help them learn the community
- Firm guidelines
- Welcoming, friendly and devoted homestay families
- Multicultural Society in Palmerston North – over 100 different cultures – global education and knowledge
- Regular newsletters to parents and agents about PNBHS international students
- Dedicated and personalised international student support
- Extensive variety of 57 co-curricular activities and 35 different sporting codes

STUDENT TESTIMONIALS

Carson Hepi, Year 12

“Kia ora, my name is Carson Hepi and I am proud to be Māori and a student at Palmerston North Boys’ High School. I’m studying Māori Performing Arts and Te Reo Māori as subjects at school, as well as having co-curricular opportunities such as Kapa Haka, Ki-O-Rahi and Mau Rākau. There are plenty of sporting opportunities as well – I play touch. The great thing is that there is a team or group for everyone. I think being Māori and being at Palmy Boys’ is tu meke because you get to learn more about who you are and where you come from.”

“During my time in New Zealand, I stayed with a homestay family who took me on many trips with them and did a lot of awesome stuff with me like showing me New Zealand or riding Mountain Bikes in the Redwoods, around Taupo, here in Palmy and the Timber Trail, which is extremely cool because the tracks and the views are just amazing here. I was really happy that I could live and do all these awesome things with them. I travelled to places all over New Zealand with my family, my friends who do triathlon with me and also with the school, who do these awesome trips a German school wouldn’t even think about doing with their students. These trips and co-curricular activities were one of the reasons why I chose to go to PNBHS and I can say that the school didn’t disappoint me in that. Nearly every boy at PNBHS does some sort of sport. PNBHS is a school full of these active boys, so there were many other students who did the same sport as me, even though it’s not so common: Triathlon. There is so much more to say about New Zealand, Palmerston North, PNBHS and my time here but that would take too long. What I can say is that the last year was probably the best one of my life and that I’m happy that I made the decision to come here.”

*Timo Spitzhorn,
Year 13, Germany*

Max Hannah, Year 11

“The Learning Support Programme at PNBHS has really helped me. In Year 9 my English class had two teachers, which really helped because you got a lot of one-on-one time with the teacher. We had a support teacher in Mathematics who worked with us in small groups when we needed help. Being in a small class is great because it means that it is easier to get help from the teacher when I need it. I really like the sporting opportunities and I’ve played rugby and been involved with clay target shooting. My clay target coach has shown me a lot of different techniques that have helped to improve my shooting.”

“My name is Finlay McRae and I am currently in Year 13. I am extremely grateful for the opportunities that Palmerston North Boys’ High School has given me. Being part of the challenging Accelerate Programme has pushed me to reach my academic potential and this year I will study Massey University papers which are offered by the school. Outside of the classroom, Boys’ High’s sporting nature has allowed me to thrive in the 1st XI Football team that competes at a high level nationally. I was also a part of the German Language and Cultural Tour that travelled to Germany for a month last April; this was an outstanding and rare chance to be immersed in life in another part of the world. Having attended Boys’ High, I know that I will have the academic credentials and maturity of character to engage confidently with life after school.”

Finlay McRae, Year 13

Chris Dewhurst, Year 13

“There is a wide variety of opportunities in the performing arts that a student at Palmerston North Boys’ High School can get amongst. As a Year 9 student, I was overwhelmed. Early in my first year I was dragged along to a meeting of the Junior Musical Theatre group, something that I had never seen myself being a part of, but lo and behold, I loved it. Fast forward three years and I am now a principle role in the 2017 PNBHS/PNGHS Senior Production, *Footloose*, and assisting in the teaching of Junior Musical Theatre. On top of my musical theatre commitments, I am also quite involved in the music department in groups such as Son of a Pitch Choir and the guitar quartet, Livewires. Both of these groups perform throughout the year at concerts and competitions, with Livewires coming second at a Regional Chamber Music Competition. I would strongly recommend that any new student gets involved in the performing arts as, in some cases, it is a once in a lifetime opportunity.”

“In my time at PNBHS I have been involved in many different sports teams across multiple codes. The sporting opportunities here are second to none as there are teams for all capabilities, across all age groups, in any sport of your choice. Currently I am involved in the 1st XV Rugby and 1st XI Cricket teams. Through these teams I have had opportunities to travel throughout the North Island and compete against high quality opposition through the New Zealand Super Eight Schools competition and our traditional interschool fixtures. Additionally, I have had the opportunity to tour overseas, going to Australia, India and Sri Lanka with cricket. Later this year I am going to be part of the Rugby Development Tour to the UK and Europe. I find there are always opportunities for extra training and the coaching is top quality. Coaches are willing to give their time and are happy to help an individual improve their skills.”

James Stratton, Year 13

Toshiko Kaneda, Mother, Hong Kong

“I have never been to NZ before. There are 3 reasons why I could send my son to NZ by himself. First of all, nowadays, SMS is so common and it is very convenient to get in touch, so we don’t have to worry so much.

Secondly, teachers at PNBHS come often to Hong Kong so we can share what my son is doing in NZ life and, of course, academically. Also, there are many friendly and passionate staff to take care of all the boys and lead them to be gentlemen. I like the way PNBHS has clear guidelines in regards to their behaviour, grooming and academic performance which provides structure and discipline.

As long as my son is happy, I am happy, and his face shows that PNBHS is the place he wants to belong.”

- Homestay application to best match up the student and family
- Explore different cultures and traditions
- Safe and comfortable family environment
- Individual guidance, care and support
- Develop quality and lifelong relationships
- Join in the family activities
- 24/7 support from PNBHS International Department

COLLEGE HOUSE – BOARDING FACILITY AT PNBHS

The school hostel, College House, is a focus and strength of Palmerston North Boys' High School. The outstanding modern facilities and the camaraderie that develops amongst the young men who board there make College House an integral part of our school. College House is located adjacent to the school fields, meaning that boarders are able to take advantage of school facilities after school hours and at weekends.

The College House environment allows young men to develop and experience success. Annually the hostel is well represented with students selected in the school's top cultural performance groups and sporting teams. Academically young men in the hostel thrive and generally, College House academic results are above those of the day school. The parent community is kept informed of hostel news via social media, newsletters, written reports and regular communication from hostel staff.

College House provides:

- seven day boarding in a range of quality accommodation blocks
- strict guidelines and zero tolerance to anti-social behavior, drugs and alcohol
- a family environment supported by hostel masters who are teachers at the school
- daily study supervised by hostel masters
- a wide range of recreational, sporting and cultural activities
- opportunities for family involvement and support for hostel activities
- the hostel is fully networked and high speed wireless internet is available in all areas
- newly constructed dining hall, BBQ and courtyard area, cardio and weights training areas
- newly renovated recreation room featuring pool table, table tennis table, kitchenette, projection unit with SKY television, four pods of smaller televisions for personal use
- all-weather basketball & tennis courts
- recently renovated dormitories
- conference room for College House and school functions.

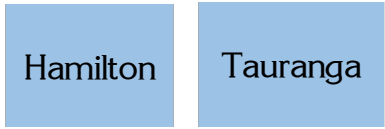

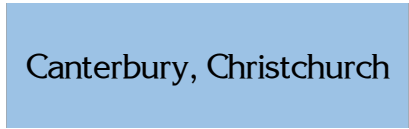

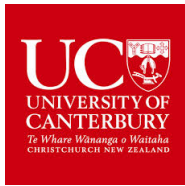

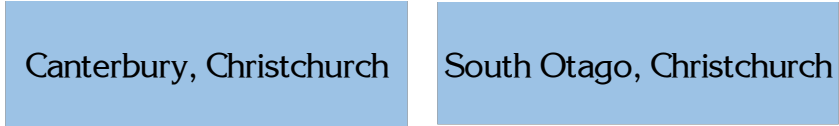

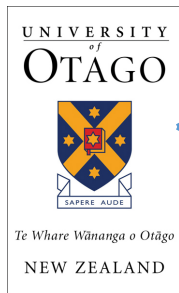

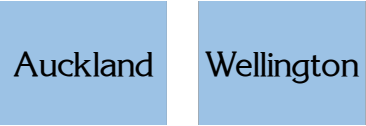

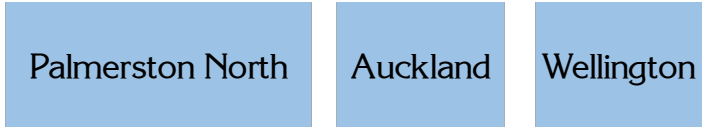

College House and Palmerston North Boys' High School provide an opportunity for young men to grow and extend themselves in an environment that encourages participation, excellence and a sense of occasion. The bonds between men in the hostel are strong and the development of life-long friendships is a strength of the hostel experience.

Massey University offers international students a choice of two undergraduate aviation degrees.

- The Bachelor of Aviation (Air Transport Pilot); students train to become 'aviators with a difference' - combining a university education with an in-depth understanding of the aviation industry. Facilities include; Technologically Advanced Fleet - Apple iPads as EFB's – Scenario- Based Flight Training.
- The Bachelor of Aviation Management; a business degree designed specifically for the dynamic and exciting global aviation industry.

PHANNATORN WASUGIRATIVANID Bachelor of Aviation May 2015

Palmerston North Boys' High School 2006-2011
Massey University 2011- 2014

Phannatorn moved from Bangkok, Thailand to New Zealand at the age of 12 with no English where he enrolled in Year 9 at Palmerston North Boys' High School. After his trial flight at age 15, Phannatorn knew he wanted to follow a career as a professional pilot.

Massey University, NZ, offered him the unique opportunity to gain a professional aviation degree integrating flight training with University study. Phannatorn says that what he enjoyed most at Massey "was the knowledge and skills offered to him". In comparison to other flight training schools, Phannatorn felt that "Massey is probably one of the best in New Zealand".

TEERAWIT PULPINYO Bachelor of Aviation May 2012

Palmerston North Boys' High School July 2006- December 2008
Massey University 2009- 2011

Teerawit completed his high school education at Palmerston North Boys' High School to best prepare himself for his future study at Massey University.

Teerawit says he chose Massey University because "it is different from other flying schools around the world as it offers a degree in this field. This degree will support me in the future flying career as it offered a high standard of flying knowledge and other relevant theories."

Returning to Thailand in 2011, Teerawit joined Royal Thai Airways. He spent the initial year completing his 'Airline Transition Training' and was assigned to the Airbus A330-300.

He says "the ground training was very similar to what Massey is providing in the ATPL papers. Also from my two years' experience in an airline, I realised how well Massey had prepared everyone to be professional and ready for aviation industry today. Now I am really enjoying flying out of the capital of Thailand, Bangkok, to the most popular destinations in Asia and Australia in an Airbus A330-300."
