

Palmerston North Boys' High School

Established 1902

INTERNATIONAL
PROSPECTUS

PROSPECTIVE PARENTS AND STUDENTS

Rector's Message:

Founded in 1902, Palmerston North Boys' High School is a traditional boys' school whose vision is to Develop Educated Men of Outstanding Character. Since 1902, we have grown to become a multi-cultural school of more than 1,700 young men. Our vision emphasises two key aspects of what we do at PNBHS – an emphasis on academic achievement and on providing character education.

The young men at PNBHS are encouraged to achieve in the classroom and to combine this with sporting and cultural activities. This

balance will enable them to be challenged and extended in a range of areas, helping prepare them for life beyond our gates.

Our school is an environment where our young men are able to grow and learn from their mistakes, where they are held accountable and where they are encouraged to do their best. Young men, by their very nature, are competitive and we seek to encourage that in everything they do. We are very proud of the committed staff here at PNBHS: more than 100 classroom teachers, all of whom are involved in the school's co-curricular programme. The relationships built in cultural and sporting activities translate to positive relationships in the classroom, and we know that young men thrive in an educational setting where relationships are positive.

As a boys' school, we firmly believe in the benefits of a single sex education. A focus on what works for boys, on how boys learn and on the importance of all-round education for boys, is at the heart of what we do. Research has shown that boys achieve significantly better at boys' schools than boys at co-educational schools and this is evident in the school's NCEA and scholarship results.

Our involvement in the Super Eight Schools organisation provides further opportunities to compete at the highest level, both on the sports field and on the stage.

The Old Boys' community is an important part of the school. Our young men build on the success of those who have been through PNBHS. We are proud of the links we have with our Old Boys the world over who enjoy following the achievements of the young men currently at their school.

Today's young men also build on our school's tradition and reputation. Those young men who choose to come to PNBHS and who embrace the ethos, get involved and do their best, will achieve success and will add to the success of the school. And, importantly, they will leave as good men, men of outstanding character.

Mr David Bovey
Rector

PALMERSTON NORTH NEW ZEALAND

New Zealand

NZ is a unique country with a population of only 4 million. It has some of the world's most breathtaking scenery, from lush green farmlands to the majestic snow-covered mountains and golden beaches, which sets it apart from any other country. Its people, known as "Kiwis" are renowned for their friendliness and hospitality with a casual, safe and relaxing lifestyle.

Palmerston North

Palmerston North, often called "Palmy", has a population of about 80,000 and is in the lower half of the North Island, about 2 hours drive north of the capital, Wellington.

Palmy is in the central hub of New Zealand – quick and easy to get everywhere, small community, very cheap and NO TRAFFIC JAMS.

Palmy is a student hub, a multicultural city, has welcoming and friendly people, is an easy place to live and is not expensive. Palmy is a small city so there are no distractions from study.

Palmy has a wide range of shops, cinemas, theatres and sporting facilities - in fact, all the facilities of a big city, but without the major problems of big city life.

Palmy is a world-recognised "Safe City".

Palmerston North Boys' High School
Location: Palmerston North, New Zealand
Established: 1902
Years: 9-13 (Age 13-18) Boys Only
School Roll: 1800
International Roll: 60

WHY PNBHS

- Safe, quiet and inexpensive city
- Education and 'Knowledge City'
- The Ultimate Student City – supportive learning environment
- High quality international education
- Smaller classes
- Individualised attention
- Specialised English classes for international students (maximum of 10 per class)
- New Zealand NCEA Level 3 is a globally recognised qualification and can be used by students for entrance into any university worldwide
- Literacy and Numeracy Programme
- Academic Pathways: well connected to universities, tertiary institutions and research centres
- Leadership Programme – instils structure, rules, values, lifelong learning, self confidence
- Vocational subjects – gain practical experience and skills
- Your choice of a variety of subjects to specialise and focus on your future career
- Make valuable connections for your career
- Study University Subjects with Massey University Paper Programme at PNBHS
- Impressive facilities
- High speed WIFI internet connection on-site
- Orientation – link with Kiwi student to learn English and help them learn the community
- Firm guidelines
- Welcoming, friendly and devoted homestay families
- Multicultural Society in Palmerston North – over 100 different cultures – global education and knowledge
- Regular newsletters to parents and agents about PNBHS international students
- Dedicated and personalised international student support
- Extensive variety of 57 co-curricular activities and 35 different sporting codes
- Many school trips and activities for a New Zealand experience – river rafting, bungee jumping, flying fox, mountain biking, snow trip to Mt Ruapehu, Tongariro Crossing, paintball, indoor karting, trip to Wellington and many more.
- Outdoor Education – a New Zealand Experience
- Sports Development Programme – enhance your sporting skills

ACADEMIC

- Choice of academic pathways: Students can choose to study National Certificate of Educational Achievement (NCEA), vocational courses or study university subjects at PNBHS with our Massey University Paper Programme.
- Your choice of a variety of subjects to specialise and focus on your future career.
- Extensive academic opportunities: from academic support programmes to accelerated courses for gifted students.
- Excellent academic results – above local, regional and national averages.
- Recent graduates from PNBHS have attended Melbourne University, Penn State University, London Imperial College, Manchester University, University of California - San Diego, and Korea University.

SPORTING & CULTURAL

- The opportunity exists to compete at any level in the extensive list of 57 sporting and cultural activities offered at our school.
- The opportunities in sport are diverse, from snowsports and table tennis to the traditional codes of cricket, tennis, hockey, football, basketball and rugby.
- Many students compete at local, national and international levels, however you can compete at any level and play for fun.
- Extensive Performing Arts opportunities: drama and music classes; individual tuition; major stage productions and musicals; stage and concert bands; orchestra; pipe band and rock groups.
- Music tuition available – only NZ \$150 per year.

STUDENT TESTIMONIALS

Carson Hepi, Year 13

"Tena Koe. Ko Carson Hepi toku ingoa, he uri au No Ngati Porou ki Harataunga. I am a passionate Maori student at Palmerston North Boys' High School. In my time at Palmy Boys', Te Reo Maori and Maori Performing Arts have been a strong driving force behind my success, both sporting wise and academically. It has created numerous opportunities for me and I have been able to develop as a strong Maori leader, gaining crucial skills which set me up for the opportunity to captain the New Zealand U18 Boys Touch team at the World Cup in 2018. Becoming a Prefect and having leadership roles this year has allowed me to share my passion for Maori culture through kapa haka and sport. There are numerous programmes provided to young Maori students at Boys' High such as Puhoro, which supports and develops learning in Science and Maths. These programmes provide extra assistance and have helped me with my work. The opportunities that I have gained from being a young Maori boy at Palmy Boys' have been endless and I am very grateful for this. E Tipu ai Te Ora i Te Ora - success breeds success. Kia ora."

Ciaran Carroll, Year 12

"Going into my fourth year at PNBHS, I am as busy as ever. I was luckily enough to be accepted into the Accelerate Programme at the start of my time here, meaning that I take academic studies one year in advance. It means a heavy workload, but I'll be studying university papers next year while still at school, which is a great privilege. I am also heavily involved with the Music Department at school. I have been in the school Concert Band for 4 years and the premier instrumental group, the Stage Band, for 3 years, playing the trumpet. Later this year, I have the opportunity to travel to Australia for the premier Generations in Jazz competition in Sydney. This year, it was an honour to be selected into the school's OK Chorale, one of the top male choirs in the country, as well as being in the band for the combined Production with PNGHS. Outside of school, I am also involved in the New Zealand Youth Jazz Orchestra, a big band consisting of the best 19 young jazz musicians in the country. I have also been pursuing my personal piano studies for 11 years now, which took me to the PACANZ pianoforte final last year, where I was awarded the Most Promising Young Pianist award. It is going to be a busy year, but the school has an amazingly supportive team and will no doubt help me in getting the results and the achievements I am striving for."

Carlos Fung, Year 12

"My name is Carlos Fung and I am from Hong Kong. This is my second year at Palmerston North Boys' High as an international student. I am extremely thankful that I chose Boys' High as I believe it has provided me a high standard, enjoyable and all rounded environment to grow in. The passionate staff members are always willing to help students with great patience. Other than a fantastic group of staff guiding students to excel academically, the school also offers a wide range of opportunity from sports to performing arts. Personally, I am involved in the Son Of A Pitch Choir, OK Chorale and Table Tennis. SOAP Choir and OK Chorale are the best places for students to develop their voices and have a good time singing. I travelled to Hamilton last year with the Table Tennis team to compete at a national level and achieved some impressive results. I am also lucky enough to be selected into the New Zealand Secondary Schools Choir. It is awesome to be making music and making lifelong friendships with the best secondary school singers in the country, along side with the most talented and experienced music directors. We also get to travel around NZ during term breaks for rehearsals. I can't wait to visit Auckland, Wellington, Christchurch and Dunedin as well as an international trip in 2020! Lastly, I would also like to give a big thanks to the warm welcoming international department and other staff members for making my arrival at the school smooth and easy. They made me settle in to a completely new environment effortlessly."

Will Collier, Year 10

"I have learnt a lot in the time I have been in the Leaning Support Class at Palmerston North Boys' High School. It is good to have a smaller class so the teachers can help you with your learning for longer. In Year 9 English we had two teachers and also had extra help in Maths. The teachers are very helpful and make learning fun. They are always happy to help us when we have questions or need something explained. I enjoy playing Rugby for the school."

Elijah Crosswell, Year 12

"Kia ora my name is Elyjah Crosswell and I am a Year 12 student at Palmerston North Boys' High School. There are countless co-curricular activities that Palmy Boys' offers which range from major sporting codes such as Rugby, Football, Hockey and Cricket to other codes such as Smallbore Shooting, Chess, Boxing and more. The opportunities that Palmerston North Boys' High School offer are varied and cater to many different sporting codes. So no matter what I am interested in, there is always a team for me. I have been involved in the school rugby programme since Year 9 and I am currently in the 1st XV. Being a part of the 1st XV has taken me all over the North Island and has allowed me to compete at the highest level. The rugby programme has high quality coaches and trainers that are dedicated to ensuring that all players have the opportunity to reach their full potential. This is true for all sporting codes at Boys' High."

Curtis Heaphy, Year 11

"Over the course of my time at Palmy Boys' I have had many opportunities, both inside and outside the classroom. In Year 9 and 10, I was a part of the Sports Development Programme, which extended my sporting capabilities in both Cricket and Rugby. In 2018, I played for the 1st XI Cricket team, and the Colts Rugby and Sevens teams. In Year 10, I was put into the second stream class, an accelerated class that started NCEA Level 1 in three subjects. I was also lucky enough to be selected go on a Cricket Development Tour to South Africa and Australia in September 2018 and I am now looking forward to the Rugby Development Tour to the UK in 2020. This year, I have continued to play for the 1st XI Cricket and am also in the 1st XV Rugby wider training squad. I am currently working my way through NCEA Level 2 and am looking forward to the rest of my time at Palmy Boys' to further my sporting, academic and leadership pursuits."

INTERNATIONAL DEPARTMENT

The International Department at Palmerston North Boys' High School provides support and advice to all international students and helps you have a happy and successful time.

Palmerston North Boys' High School provides:

- High quality international education
- Dedicated and personalised international student support
- Homestay placements in welcoming, devoted and friendly families
- Hostel placements and management
- Orientation Programme
- Airport transfers to and from your accommodation
- Pastoral Care support – social, personal and cultural issues
- Online Visa renewal service
- Student insurance policies
- Outdoor Education programme
- Regular school trips and activities throughout the year, providing a New Zealand experience
- Ongoing academic support and pastoral care.

HOMESTAY

Our homestay programme is arranged with local New Zealand families living close to the school. They will offer a safe and supportive environment while you transition into the New Zealand culture and study here at PNBHS.

Close monitoring and regular household visits are conducted by our Accommodation Manager to ensure continuing suitability between the family and the student.

Regular student surveys are undertaken and staff are available at all times for support.

Benefits of Homestay:

- Improve competency of English language
- Learn the New Zealand 'Kiwi' way
- Homestay application to best match up the student and family
- Explore different cultures and traditions
- Safe and comfortable family environment
- Individual guidance, care and support
- Develop quality and lifelong relationships
- Join in the family activities
- 24/7 support from PNBHS International Department

COLLEGE HOUSE BOARDING

The school hostel, College House, is a focus and strength of Palmerston North Boys' High School. The outstanding modern facilities and the camaraderie that develops amongst the young men who board there make College House an integral part of our school. College House is located adjacent to the school fields, meaning that boarders are able to take advantage of school facilities after school hours and at weekends. The College House environment allows young men to

College House provides:

- Seven day boarding in a range of quality accommodation blocks
- Strict guidelines and zero tolerance to anti-social behavior, drugs and alcohol
- A family environment supported by hostel masters who are teachers at the school
- Daily study supervised by hostel masters
- A wide range of recreational, sporting and cultural activities
- Opportunities for family involvement and support for

College House and Palmerston North Boys' High School provide an opportunity for young men to grow and extend themselves in an environment that encourages participation, excellence and a sense of occasion.

develop and experience success. Annually the hostel is well represented with students selected in the school's top cultural performance groups and sporting teams. Academically young men in the hostel thrive and generally, College House academic results are above those of the day school. The parent community is kept informed of hostel news via social media, newsletters, written reports and regular communication from hostel staff.

Hostel Activities:

- The hostel is fully networked and high speed wireless internet is available in all areas
- Newly constructed dining hall, BBQ and courtyard area, cardio and weights training areas
- Newly renovated recreation room featuring pool table, table tennis table, kitchenette, projection unit with SKY television, four pods of smaller televisions for personal use
- All-weather basketball & tennis courts
- Recently renovated dormitories
- Conference room for College House and school

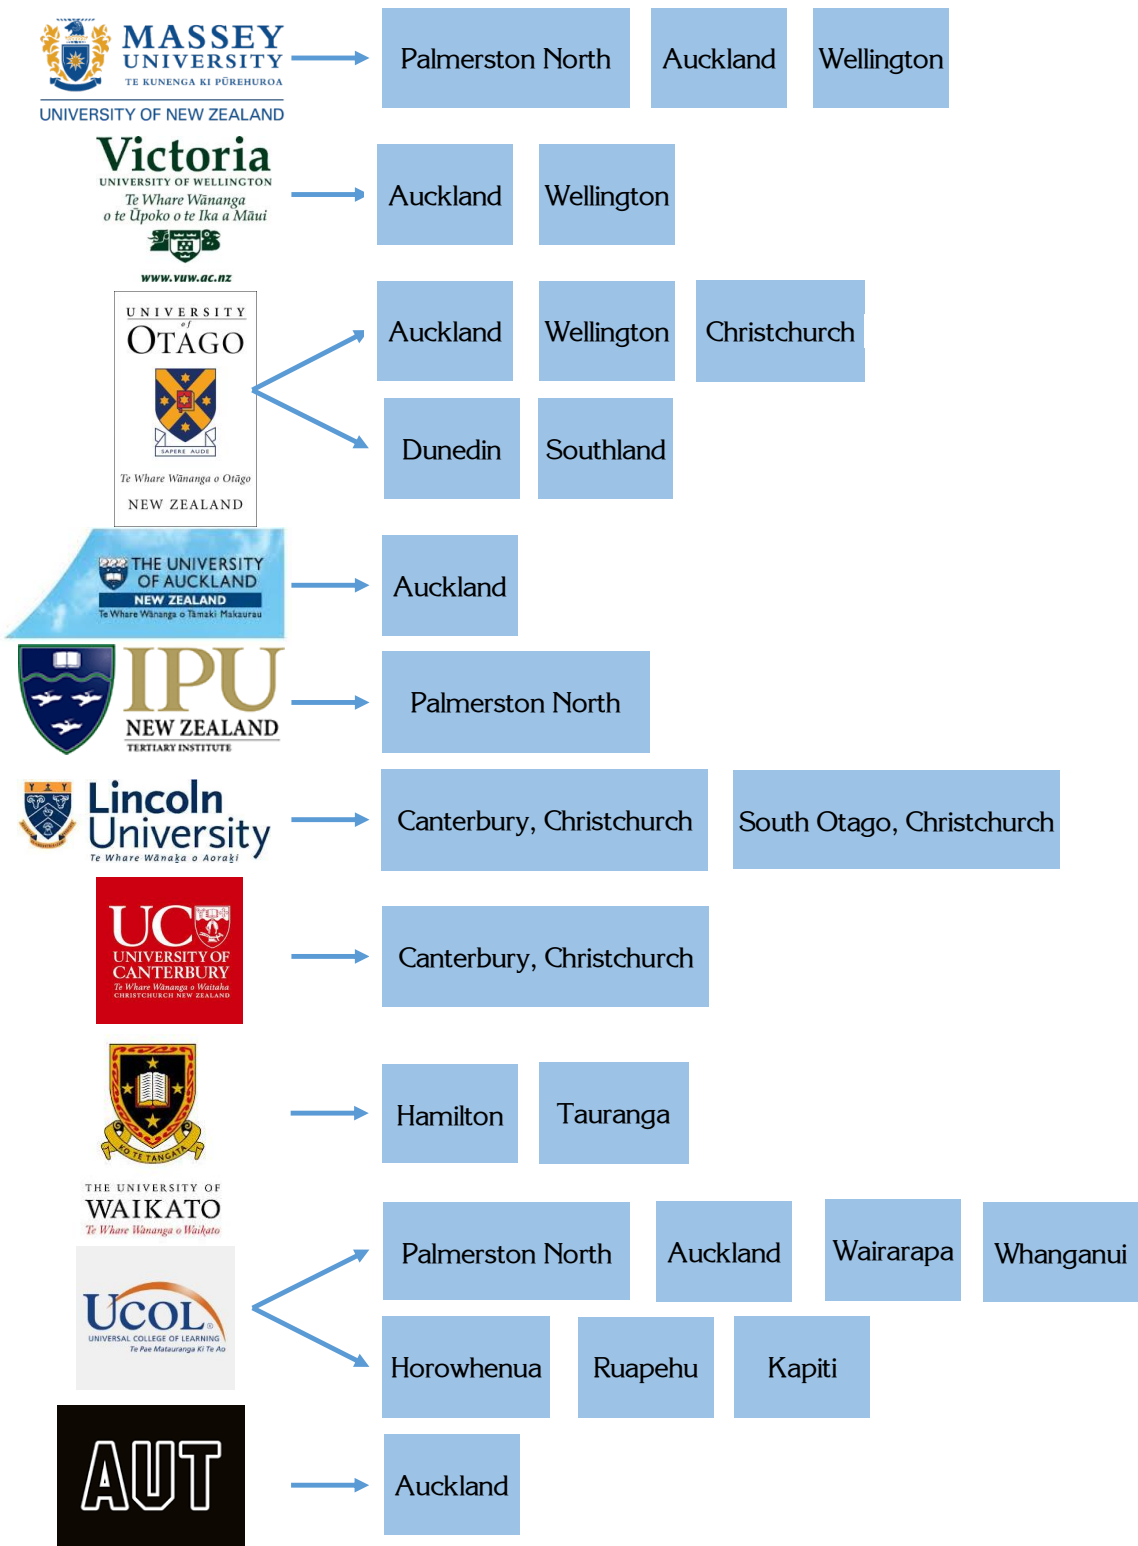

The bonds between men in the hostel are strong and the development of life-long friendships is a strength of the hostel experience.

www.pnbhs.school.nz/college-house

TERTIARY PATHWAYS

Many of our international students when they graduate from Palmerston North Boys’ High School choose to continue their studies in New Zealand. Some of our partnerships with tertiary institutions include:

AVIATION AT MASSEY UNIVERSITY

- Massey University offers international students a choice of two undergraduate aviation degrees.
- The Bachelor of Aviation (Air Transport Pilot); students train to become ‘aviators with a difference’- combining a university education with an in-depth understanding of the aviation industry. Facilities include; Technologically Advanced Fleet - Apple iPads as EFB’s – Scenario- Based Flight Training.
 - The Bachelor of Aviation Management; a business degree designed specifically for the dynamic and exciting global aviation industry.

PHANNATORN WASUGIRATIVANID Bachelor of Aviation May 2015

Palmerston North Boys’ High School 2006-2011
Massey University 2011- 2014

Phannatorn moved from Bangkok, Thailand to New Zealand at the age of 12 with no English where he enrolled in Year 9 at Palmerston North Boys’ High School. After his trial flight at age 15, Phannatorn knew he wanted to follow a career as a professional pilot.

Massey University, NZ, offered him the unique opportunity to gain a professional aviation degree integrating flight training with University study. Phannatorn says that what he enjoyed most at Massey “was the knowledge and skills offered to him”. In comparison to other flight training schools, Phannatorn felt that “Massey is probably one of the best in New Zealand”.

TEERAWIT PULPINO Bachelor of Aviation May 2012

Palmerston North Boys’ High School July 2006- December 2008
Massey University 2009- 2011

Teerawit completed his high school education at Palmerston North Boys’ High School to best prepare himself for his future study at Massey University.

Teerawit says he chose Massey University because “it is different from other flying schools around the world as it offers a degree in this field. This degree will support me in the future flying career as it offered a high standard of flying knowledge and other relevant theories.”

Returning to Thailand in 2011, Teerawit joined Royal Thai Airways. He spent the initial year completing his ‘Airline Transition Training’ and was assigned to the Airbus A330-300.

He says “the ground training was very similar to what Massey is providing in the ATPL papers. Also from my two years’ experience in an airline, I realised how well Massey had prepared everyone to be professional and ready for aviation industry today. Now I am really enjoying flying out of the capital of Thailand, Bangkok, to the most popular destinations in Asia and Australia in an Airbus A330-300.”
