Palmerston North

Palmerston North, viết tắt là "Palmy", là một trong những thành phố trung tâm của New Zealand với dân số khoảng 75000 người, tọa lạc tại phần dưới của đảo Bắc và cách thủ đô Wellington khoảng 2 tiếng lái xe.

Có thể nói, Palmy có tất cả các tiện nghi của một thành phố lớn: siêu thị, rạp phim, nhà hát, nhưng không hề có những vấn đề phức tạp mà ta thường gặp ở các thành phố lớn – một thành phố an toàn và thân thiện.

Lê Lâm Việt Hoàng - Việt Nam

Được làm học sinh của Palmerston North Boys' High School là điều khiến em rất tự hào. Khi còn ở Việt Nam, chương trình học quá ôm đồn số lượng các môn học không phù hợp với học sinh, thì khi ở New Zealand, học sinh được tự do chọn những môn học mà mình yêu thích, không chỉ có những môn học cơ bản, mà còn có những môn học chuyên sâu trong các lĩnh vực khác nhau như Kinh Tế học, Kế toán hay các môn nghệ thuật. STUDENT TESTIMONIALS

Carson Hepi, Year 12

"Kia ora, my name is Carson Hepi and I am proud to be Māori and a student at Palmerston North Boys' High School. I'm studying Māori Performing Arts and Te Reo Māori as subjects at school, as well as having co-curricular opportunities such as Kapa Haka, Ki-O-Rahi and Mau Rākau. There are plenty of sporting opportunities as well – I play touch. The great thing is that there is a team or group for everyone. I think being Māori and being at Palmy Boys' is tu meke because you get to learn more about who you are and where you come from."

"It has only been my first year at PNBHS and I have been involved in a range of musical and sporting activities. Just recently, the trio I am part of won the Manawatu Performing Arts Competition and we were the overall winner of the NZCT Chamber of Music Competition. There are a ton of opportunities to excel and participate in competitions both musical and sports wise. I am also excelling greatly due to the Accelerate Programme which has guided and pushed me to reach my greatest potential academically. To anyone overseas looking to join PNBHS, I would recommend coming here, especially to College House, the boarding school, as there is a wide range of activities you can do here to keep you occupied and it is a great experience to be part of College House and to make a lot of new Kiwi friends."

Paul Teoh, Year 11, Singapore

Max Hannah, Year 11

"The Learning Support Programme at PNBHS has really helped me. In Year 9 my English class had two teachers, which really helped because you got a lot of one-on-one time with the teacher. We had a support teacher in Mathematics who worked with us in small groups when we needed help. Being in a small class is great because it means that it is easier to get help from the teacher when I need it. I really like the sporting opportunities and I've played rugby and been involved with clay target shooting. My clay target coach has shown me a lot of different techniques that have helped to improve my shooting."

"My name is Finlay McRae and I am currently in Year 13. I am extremely grateful for the opportunities that Palmerston North Boys' High School has given me. Being part of the challenging Accelerate Programme has pushed me to reach my academic potential and this year I will study Massey University papers which are offered by the school. Outside of the classroom, Boys' High's sporting nature has allowed me to thrive in the 1st XI Football team that competes at a high level nationally. I was also a part of the German Language and Cultural Tour that travelled to Germany for a month last April; this was an outstanding and rare chance to be immersed in life in another part of the world. Having attended Boys' High, I know that I will have the academic credentials and maturity of character to engage confidently with life after school."

Finlay McRae, Year 13

Chris Dewhurst, Year 13

"There is a wide variety of opportunities in the performing arts that a student at Palmerston North Boys' High School can get amongst. As a Year 9 student, I was overwhelmed. Early in my first year I was dragged along to a meeting of the Junior Musical Theatre group, something that I had never seen myself being a part of, but lo and behold, I loved it. Fast forward three years and I am now a principle role in the 2017 PNBHS/PNGHS Senior Production, *Footloose*, and assisting in the teaching of Junior Musical Theatre. On top of my musical theatre commitments, I am also quite involved in the music department in groups such as Son of a Pitch Choir and the guitar quartet, Livewires. Both of these groups perform throughout the year at concerts and competitions, with Livewires coming second at a Regional Chamber Music Competition. I would strongly recommend that any new student gets involved in the performing arts as, in some cases, it is a once in a lifetime opportunity."

"In my time at PNBHS I have been involved in many different sports teams across multiple codes. The sporting opportunities here are second to none as there are teams for all capabilities, across all age groups, in any sport of your choice. Currently I am involved in the 1st XV Rugby and 1st XI Cricket teams. Through these teams I have had opportunities to travel throughout the North Island and compete against high quality opposition through the New Zealand Super Eight Schools competition and our traditional interschool fixtures. Additionally, I have had the opportunity to tour overseas, going to Australia, India and Sri Lanka with cricket. Later this year I am going to be part of the Rugby Development Tour to the UK and Europe. I find there are always opportunities for extra training and the coaching is top quality. Coaches are willing to give their time and are happy to help an individual improve their skills."

James Stratton, Year 13

Toshiko Kaneda, Mother, Hong Kong

"I have never been to NZ before. There are 3 reasons why I could send my son to NZ by himself. First of all, nowadays, SMS is so common and it is very convenient to get in touch, so we don't have to worry so much.

Secondly, teachers at PNBHS come often to Hong Kong so we can share what my son is doing in NZ life and, of course, academically. Also, there are many friendly and passionate staff to take care of all the boys and lead them to be gentlemen. I like the way PNBHS has clear guidelines in regards to their behaviour, grooming and academic performance which provides structure and discipline.

As long as my son is happy, I am happy, and his face shows that PNBHS is the place he wants to belong."

The outstanding modern facilities and the camaraderie that develops amongst the young men who board there make College House an integral part of our school. College House is located adjacent to the school fields, meaning that boarders are able to take advantage of school facilities after school hours and at weekends.

The College House environment allows young men to develop and experience success. Annually the hostel is well represented with students selected in the school's top cultural performance groups and sporting teams. Academically young men in the hostel thrive and generally, College House academic results are above those of the day school. PHANNATORN WASUGIRATIVANID

Bachelor of Aviation

May 2015

Palmerston North Boys' High School 2006-2011 Massey University 2011- 2014

Phannatorn moved from Bangkok, Thailand to New Zealand at the age of 12 with no English where he enrolled in Year 9 at Palmerston North Boys' High School. After his trial flight at age 15, Phannatorn knew he wanted to follow a career as a professional pilot.

Massey University, NZ, offered him the unique opportunity to gain a professional aviation degree integrating flight training with University study. Phannatorn says that what he enjoyed most at Massey "was the knowledge and skills offered to him". In comparison to other fight training schools, Phannatorn felt that "Massey is probably one of the best in New Zealand".

TEERAWIT PULPINYO

Bachelor of Aviation May 2012

Palmerston North Boys' High School

July 2006- December 2008

Massey University 2009- 2011

Teerawit completed his high school education at Palmerston North Boys' High School to best prepare himself for his future study at Massey University.

Teerawit says he chose Massey University because "it is different from other flying schools around the world as it offers a degree in this field. This degree will support me in the future flying career as it offered a high standard of flying knowledge and other relevant theories."

Returning to Thailand in 2011, Teerawit joined Royal Thai Airways. He spent the initial year completing his 'Airline Transition Training' and was assigned to the Airbus A330-300.

He says "the ground training was very similar to what Massey is providing in the ATPL papers. Also from my two years' experience in an airline, I realised how well Massey had prepared everyone to be professional and ready for aviation industry today. Now I am really enjoying flying out of the capital of Thailand, Bangkok, to the most popular destinations in Asia and Australia in an Airbus A330-300."
